

NHC Commissioners June 4, 2018

Summary: This was a straightforward meeting that included 4 public hearings, including formal acceptance of the FY2018-19 budget. There were no opposing viewpoints to any of the issues discussed.

This was a regularly scheduled meeting of the NHC Commissioners, starting at 4:00pm. All commissioners were in attendance.

- During presentation of the FY2018-19 budget, additional discussion resulted in decisions to raise the minimum wage for county employees to \$15/hr (affects ~95 employees) and for commissioners to decline the 2% pay increase other county employees will be receiving.
- Although approved, Commissioner Zapple took issue with a text amendment to the Table of Permitted Uses not because he disagreed with the intent but because he believes the in-progress UDO process should be used to address these issues rather than continuing to apply band aids.

The meeting adjourned at 6:00pm. No LWV follow-up is needed.
